

**(603) 717-7117 • WWW.GREENMTNCOMM.COM**

*INTERNAL Capabilities*

**Backhaul**

FAA/FCC Filing/Licensing  
Fiber Extensions & Testing  
MW Path Engineer, Furnish & Install  
Path Alignment  
Reliability Studies  
System Install & Integrate

**Camera Surveillance**

IP Camera Engineer, Furnish & Install  
System Integration

**Civil**

Access Road  
BTS Offload & Setup  
Core Drilling & Concrete Cutting  
Fencing & Bollards  
Foundations  
Ground Resistance Testing  
Ground Rings  
Shelter Footings & Slabs  
Shelter Offload & Setup  
Site Maintenance  
Site Preparation  
Tenant Improvement Buildouts  
XIT Installation

**Electrical**

Backup Power System Install  
CAT5 & 6 Data Cabling & Testing  
DC Plant Install  
Electric Service Install  
Generator Install  
HVAC Install  
Lighting  
Telco Service Install

**Engineering**

Network Engineering  
Path Profiles  
RF Engineering  
RF Engineering Coordination  
Security Plan Development  
System Integration

**Outdoor/Indoor DAS**

BDA's & DAS Install & Maintenance  
BDA's & DAS Network Engineering  
Benchmarking & Testing  
Commissioning  
Monitoring & Maintenance  
Optimization  
Point-to-Multipoint (PTM)  
Point-to-Point (PTP)  
Small Cells

**Site Acquisition**

Compliance  
Easements/Title  
Leasing/Zoning/Permitting  
Project Management  
SCIP's/File Reviews

**Tower/Antenna Construction**

Antenna & Line Testing Install  
Antenna Maintenance  
Co-Location  
Flagpole Install  
Guyed Towers  
Hybrid Fiber Install & Test  
Mobile Tower (COW)  
Monopole  
Mount & Platform Install  
RRU Install  
Self-Supporting Towers  
Smokestacks  
Stealth Fiberglass Install  
Steeple Installations & Replacement  
Tower & Antenna Painting  
Utility Power Mounts  
Water Tank Install

**Tower Services**

Inspections  
Survey  
Structural Analysis  
Structural Mapping  
Structural Modifications

**Wi-Fi**

Engineer, Furnish & Install  
System Integration & Maintenance

*EXTERNAL Capabilities*

Civil Engineering  
Environmental Assessment - NEPA

RF Compliance Studies  
SHPO

Soil Borings  
Surveying
